

Bounce and the M.G.J.A. are proud to present the Judges Invitational “08” Sunday, November 16th

The Judges Invitational is more of a gymnastic clinic than a competitive meet. Although we will be following a meet format, no awards will be given. The proceeds from the event help support our Michigan Gymnastics Judging Association (M.G.J.A.).

After each rotation the gymnasts, coaches and judge will discuss each routine performed. This allows the coach, gymnast and judge a head start on any technical difficulties concerning the upcoming season. Please join us in supporting our hard working judges by attending this event.

If you are interested in becoming certified as a men's program judge, send an e-mail to shawnkclement@yahoo.com.
